with convenient  
dual speed switch

MODEL 818 Straight Knife Cloth Cutting Machines with Automatic Abrasive Belts Sharpener, are the most popular cutting machines in the Garment Industry. They are suitable for cutting all kinds of fabrics from thin to thick materials.

#### FEATURES:

##### \*MOTOR

The motor is an originally developed motor. It assures a smooth cutting operation with excellent cutting power and low motor temperature.

##### \*AUTOMATIC OIL LUBRICATION DEVICE

Oil can be supplied automatically from oil reservoir to the guide metals and cross head. The internal oil guard keeps other interior parts clean.

##### \*AUTOMATIC SHARPENING DEVICE

There is an abrasive belt sharpening device. Just press down the sharpening lever, and the blade can be sharpened automatically to maintain the most suitable edge of the blade.

##### \*STANDARD

Thinner and flat type Standard makes the resistance of cutting material lower, and bigger blade stroke makes cutting smoothly.

##### \*BASE PLATE

The base plate is low and the surface is smooth to make the material travel on it smoothly before and after cutting.

##### \*OTHER

Fan-guard and Starting switch cover are designed for safety.

##### \*OPTIONAL: KNIFE PROTECTOR
